COA No. 10-15-00032-CR

MOTION FOR EXTENSION OF TIME TO
FILE APPELLANT'S BRIEF

TO THE HONORABLE COURT OF APPEALS:

COMES NOW, the Appellant, by and through her undersigned Attorney of Record, and respectfully moves the Court to extend the time for filing a petition for discretionary review brief in this cause, and in support therefore would show the Court as follows:

I.

Damon Lavelle Asberry was convicted in this court of murder, and sentenced to life in the Texas Department of Criminal Justice. Following such conviction defendant pursued a direct appeal which was denied. Defendant then filed a Motion for DNA testing pursuant to the provisions of Chapter 64 of the Texas Code of Criminal Procedure, which was denied.

Appellant appealed the denial of his Motion for DNA testing conviction to the Court of Appeals for the Tenth Judicial District. That court affirmed the trial court decision in an opinion delivered on October 18, 2017. Appellant subsequently filed a

Petition for Discretionary Review, which was granted.

II.

Appellant's petition for discretionary review brief is currently due on May 14, 2018.

III.

Appellant hereby requests an extension of time to file his Petition for Discretionary Review until May 28, 2018, and as reasons therefore would show this cause as follows:

Counsel does not have sufficient to time to properly prepare a petition for discretionary review by the current due date, and for that reason seeks additional time to do so. Counsel would show that he has had several matters to deal with in the last thirty days. As a result, counsel has not had sufficient time to devote to the petition in this case.

WHEREFORE, PREMISES CONSIDERED, Appellant respectfully requests this honorable court to extend the time for filing Appellant's Petition for Discretionary Review in this cause to May 28, 2018.

Respectfully submitted,

/s/ Walter M. Reaves, Jr.
